Telefon : 079 286 40 65

Production period: end June to end August.

We are the 5th generation making l'Etivaz.

We don't have employees, everything is done 'en famille', son, daughter-in-law, father, mother and grandchildren. Even the daughters like to come when they can.

This chalet is more rustic but we are so happy here, far from the noise of the outside world.

It's the tranquility of the high mountain peaks!!
